

TRASH AND SEEK!

Hidden in the landfill at right are some real trashy items. Each is represented by a symbol shown below. How many of each item can you find? Put the numbers on the lines under the matching symbols. (One is done for you.)

TEXTILES

PAPER

PLASTICS

RUBBER & LEATHER

METALS

YARD TRIMMINGS

GLASS

WOOD

FOOD WASTE

The numbers tell you the approximate percentage of each kind of material found in landfills in the United States. If the numbers add up to 50 you've found all the trash!

LETTERS FROM A LANDFILL

Find the secret message hidden in the landfill at the right. To crack the code, look for all the letters hidden in colored boxes. Matching box colors, fill in each box below with the corresponding letter.
